

GIVE ME MORE!! MONDAY, JUNE 23

THIS WEEK'S ANIMATION THEME: GRUB TOWN

FOR THE "SILVER RACERS" GROUP

WHAT WE DID TODAY

(& WHAT WE'LL DO TOMOROW)

ANIMATION: Today we learned that "Animation" means creating the illusion of movement by creating a series of still images with minor changes. We practiced making a mini animation with a single ball of clay, a tri-pod, a digital camera and some basic "special effects" techniques. Tomorrow we'll start preparing for our final project.

"Animation is AWESOME!!!"

--RJ Hernandez

Member of Silver Racers

RECREATION: Every day we play games designed to build life skills such as teamwork, strategy, cooperation, risk-taking and confidence. Ask your camper what fun games they played today!

THE "DON'T FORGET" BOX

- Wednesday is Water Day!!
 - Bring a bathing suit, sandals, towel
- Art Notes:
 - Bring a smock for the painting this week!

NOTES FROM THE DIRECTOR

Thank you to all the campers for making the first day of camp so special. It was great to see all those smiling faces! Look out tomorrow as we reveal what the wacky theme we have in store for Thursday! Please, if you have any comments or questions throughout the week, feel free to talk to me personally or call me directly. My job is to make sure your kids have the most wonderful camp experience possible. See you tomorrow! -- Ed ☺

EdMo Super Star Program: To extend your summer "edventure" we're introducing the EDMO SUPER STAR Program which will challenge campers to explore beyond the camp day. Once they have extended their knowledge, helped their community and on their experience they receive and award and move on to a new level with new challenges! The last and final award is to be an **EDMO COUNSELOR FOR THE DAY!!** If you think your camper might be interested in our Super Star Program let me know!

CAMPERS WILL BRING HOME A "GIVE ME MORE!" SHEET LIKE THIS ONE EVERY DAY. PLEASE READ THIS SHEET FOR IMPORTANT NEWS AND UPDATES!
